

# EIGHT REASONS TO **VOTE GREEN** IN JUNE 2009

- 1 Only Greens will tackle the real causes of the crises**  
- those who caused them can't be trusted. Think new!
- 2 The Greens are not in any industry's pocket**  
- we are free to make choices necessary for real change
- 3 Others talk Green. We act Green**  
- when Green is needed, choose the original, not the copy
- 4 The Greens are committed to the common interest**  
- equal rights for everyone is at the core of our values
- 5 The Greens look beyond the short term**  
- there is a way out of crises. We will make it happen
- 6 From local to global, the Greens have a clear vision**  
- a better world is possible. We are keen to lead the way!
- 7 The Greens have a positive mind-set**  
- we will create a better Europe for our children
- 8 A real Green New Deal needs strong Greens**  
- Think big, vote Green!
